A Texas Sensation.

GALVESTON, August 17.—At a meeting of the state land board, ast Tuesday, a reso u tion was passed whereby the board agreed to DOG Darm ess from pena ..es and _aDI ities the Galveston News on account of anything may publish southing any member of the poard in the management of the lanc. a fairs of Texas. The News and intimated that it possessed certain camaging information touching the management of state ands, which ... heared to pub sh because of the exceeding y stringent the law, which gagged the press of lexas. By reason of this aw, under a recent adverse decision of the supreme court of Texas, the proprietors of the News have just paid \$10,000; mence their desire to be insured. In its issue of vestercay the News openica out on the land poard and its work. The paper now makes the claim that the board, by its neglect and mis management, has ost o the school func of the state \$1,750,000, which should have been collected under the law from cattlemen our ing the 'past eighten months. The News says that in February, 1884, an act was passed directing the land board to appoint grass commissioners, whose quites should to be to a certain by constant inspeccon the area of Gree grass be obging to the state and being occupied by cathe men without eases of any character. Under this law a occupiers of such and were compeled to pay occupation tax. Twenty million acres of grass ands of this character has been constant y grazed upon since the passage of the aw. Yet the and hoard only last week abpointed an sent out the grass commissioners, upon whose reports the tax could on vipe collected. The aw makes no provision for Dack tax. Hence the state has lost near y two million collars which has simply remained in the pockets of cattle men. In making these statements the News in one breath acquire members of the and board of intentiona wrong, out in the next prestail says: "This loss of \$1,750,000 was not acc dental, and not in the circus train constion at Addryv to this being accidental it is presumably the result of morning. The full suof those cangerously line gent design." This creates the sensanuit is: August Scamit, Frank Boye, School. The poard is composed of Governor Enson, Lewis Lun'er, de Copps, Frank mo - France. State Greaturer N. A. Ludbeck. _and Comm ssioner W. Walsh, Comptroller W. . . Swaim, and Attorney Genera cohn D. Temple on. This galaxy of names comprises the most c stinguished politicians in Lexas.

COLORADO SPRINGS, August 17, 1885. To the City Council of the City of Colorado

GENTLEMEN-Your committee ou police. as executive head, who were directed by n reso n. on passec at a regular meeting o' ne c. Moncay even pg. August 3, o. investigate certain charges of cere, ction of reactions upon the character of Mass (a.c.D. ion, by the editor of Co-orado State Republic. in the same of said baper on the even ng of

as witnesses, and of the two officers in a i cated, and a careful consideration of the same. we and from the evicence given to us by the duty on the past of Officer Tell in not agrest-Emportant Meeting of the U y ing the parties said to be guity of distinction the peace Salurday even ng. August L. anc. that he would not have been just nec in mazby an arrest, for the reason that there was no disturbance when he arrived on the ground, ald no could not get any evicence as to who the parties were

maxing a Cisurdance. We also find that there is no proof of Marsha Di on being guity of an immoral act on the evening named, ne ther was there any evicence accided, of 1.8 maxing the remarks attrouted to 1 m, n the closing sentence of 8 to 2. the ecitor a namec. Liere ore we have no charges to prefer against other of 710 of cers

But we to by that there was a lack of it scret on and good judgment on the part of was offered by him and adopted. Of cer let n returning the next morning to the place where there was reported to have been a c sturbance and trying to explain matters to the parties encamped near by, the had berformed as cuty the evening perore they do so to meet on Wednesday ngar, at no er excurs on has just occurred on the company. by a prompt jesponse to the call for an officer, and there the matter should have ended and a s mouth been closec, except to his super ors in the counci, if called upon. We also thing that noth of the officers implicated have talked Loo much and tried to explain too mich since communications, reports from committees the disturbance is said to have occurred. Phey shou (... remember that a story enlarges at a womerful rate as it is repeated from one person to another, and, hat it is not good nogment on the part of an officer to te al he knows or thinks, until called upon to co so in

Finally, we would say, from the evicence act uced by the witnesses furnished by the ec-While on public grounds and ou dings, itor of the Republic, that we candidly believe Co., Skinner took up the matter of the Chey- he was not justified in publishing the sensations artice jec (and making such an unwarrantable attack upon the character of the officers named, and it appears to us to have Deen cone more in the spirit of faur-finding and or t cisin of city offic a s, than in the pest interests of the city and good mora s.

hear mes, fur ing anathemas at city of icials, beginning to end, and said hat in fact there is not, in our opinion, in the interests of reform or creditable to the editor doing it. Rew to issued it air not have the manhood to spectfully submitted for your consideration.

G. S BARNES, Major. L. C. SKINNER. J. A. LIMEBACOH,

Com. on Police. Co. Sammer then explained some facis in offered to the city for at certain sum, regard to the investigation, the number of and the counce, had conducted to accept it, witnesses examined and the testimony given, and submit the proposition of its purchase to for the information of the members of the the people. The map which was filed at the council who were not present at the investitime shows that the property includes one gation. Index the circumstances, Co., Scinmine and a last in an ar line in North Chey-ner said, he cit not see now the committee enue cann and three miles by wagon road, could prefer charges against these objects. A.r. _ atch's c aim, on which so much stress is Co. Skinner then took occas on to critic se but, is haf a mile from the end of the quite severely the editor of the lepublic, are traveled wagon road. In South Cheyennetthe would, he said, try to make Larsha Dil on purchase includes one-half of the can'm from one of the viest wretches on earth, and was the mouth in the direction of Seven Filds, much inclined to fine fault with a other A.r. Szinner ceniec empiatically that anyice-city officials. As for Marsha Di on he had ception is been resorted to us to the amount voted for him, and not until the charge apof, property included and the journal peared entoricity in the depublic mar, he publican of August 7 gives the following noof the council would show that the proposever hear anything cerogatory to his characsubmitted was for 640 acres, ter. Before this committee concluded to labors the reports of odicers were handed in. in his report President Shankin sa o. " has been no very marked progress in the advancement of our organization cur as the past year. Whe our hopes of extending our organization so as to include all ex-pr.soners with complete state organizations has not been fully realized, much practical work has been cone, that must produce cesirab e results in the immediate future. We have now regularly chartered associations, 6.5.1er state or ocal. 'n 17 een 67ates, as follows: Pennsy van a nine, Yic i gan seven. O 1.0 five. inciana three, New York two, Co oraco two, Massachusetts two, Connecticut one, _ 100.s one, Wisconein one, Mary, and one, Virginia one, Colorado one, Kansas and District of

The secretary's report showed that one e ca association has been organized at Wichita, langas, and that regular state association meetings have been new in the states of Ono, Virginia and Pennsy van a. The treasurer was showed that \$311 had been received curing the last term. The meeting then adjourned Following is in brief the platform acopied. and the members were escorted through the Justec States mint by comraces of the Pennsy vania association.

Circulation of Bilver.

WASHINGTON, August 19 -A prominent oficia of the reasury cepar ment sa c to-cay, in regard to the complaint of pankers and mining men o Sait ... ake City against the recent order regulating the CIS ribut on of silver codars, that the order in question was made necessary by the great expense attencing the transportation of that coin from one mount to another. As an illustration, he said that it won deost over \$5 to sup 100 silver collars from San Francisco to Salt Lake City, and as much more to ship it back, which expense would deprive the government of the entire profit realized from the comage. The difficulty of Sat Lake would, in his opinion, be averted if the bankers were willing to accept ractional silver com insteac of stancare do are. The former would be de ivered to them at their places of pusiness without ce ay ano without expense to their and would answer a the purposes of the standard collars, and he said further that he efforts of the present acministration to promote the circulation of silver com are meeting with great success, especially in the case of subsidiary coin, which dut the

Mrs. C. W. Bases, of St. Louis, w. J. a party 13 87 12e C 4.

There is a party of s x Leaven worth, Kan, STORAL TR G COOD

The hop a, Banzer's bassec of very pleasan' y .as: even ng.

Mr. Frank Co ker, a awyer of On cago, is of it: registered a. he Mans on.

Mr. lames F. Lamews, of Denver, 8 registerec at the Man, on house.

Ar. W. am C. E. 4, of St. Louis, a regiserec at the Iron Spr ngs.

Mrs. E. J. Marc. of For. World, Tex., 8 one of a party of seven at Barker's.

Yr. and Yrs. A. S. Barnes of Colorado Sor ngs were at the from Springs yesterday.

Mrs. S. A en, canziter, and Mrs. C. .. Y ner, of Keozuz, La., are registered a. Jarzer's.

Rev. Dr. and Mrs. James S. Baok, o Co orado Springs, were at the fron Springs house and swinging from his symmetrical need a Mr. C. M. Esmpson, agent of the Wabasa

Springs house yesterday. The hop at the fron Springs note, on Thurs-, from the size of a pile of chips to a year ng Lay even ng a reported to have been a very

pleasant and very successful affair. Your members o' the Colorado Wheel assoc at on, from Derver, who came from

Mrs. S. R. Calloway, wife of the general manager of the Union Pacific, with three of then s a, the Man fou house for the

A PIKE'S PEAK ADVENTURE.

aged respectively six and four years, started with a couple of friends, gentleman and wife, from Maniton last Well lessay morning for a pionic on foot up the Pake's Peas train. The original intention of the party was logo as far as Cascade falls, partake of their unch, en by the grandeur of the surround by scenery then reliace their steps. The power of encurance a splayed by the autie boys encouraged the party to proceed to the ira thouse, a als ance of about six miles from Mantou. Seized with a thirst for adventure, they had no sooner reached the tra . house than they ceterminec, to remain here over night and as eep. with the chargen star, for the sumthe peak .10 to owing good. It was worse ian an ama eur opmorning. An excellent breatfast was served the ambitious party, giving them renewed energy for the proposed uncertaing. Secur ng a purro for the chi cren, a fresh purro is very popu ar among the natives. But start was faren about 5 o'c oca, with the g io. _con't iso it, and fever am at the motto, "life's l'eazior an exposion" dorne Seven Laves again and that burro voiun eers in the minds of all concerned, the in agas no ess sangu ne than their e cers. Euch to the Lisappo atment of the little parts he on y of ler acy tramp was taken sick after pro- ribution for what a have suffered also ought ceeding about a mile and it was impossible to die. Leon believe he knows bu one tune for her to continue the journey.

Accompanied by her ausband she returned. eaving Mrs. Baze with Masters Percy and larry to continue the tro in company with sain, reported by A. G. Nowe real estate two yen, omen whom they over our, a Mr. agent: parton of lines, an ecttor, and Mr. G. S. W. hers of Paris, No. 12he above get femen deserve great commencation for the hero.c martyrdom with which they submit ed to the imposed responsibility and gallantly a tended ect n. nero de one ammam anot de cren n toe prec p tous ascent.

The remarkable courage and made pluck c sprayed by the above of the cast mounting to allow the mother to rice on the one purro, the only animal of which the party someter, todeling along uncaunted by 10 rough rocks, co c preeze and rar fed atmospaere, e ichted praise and astonishmen i trom every one. These were he younges on acren Anthony Sot. to A. A. Mahany, it i, Lat ever mace the ascent and on returning ,ne same atternoon w th attices.
